CHIEF MINISTER
NAGALAND
KOHIMA

No. CMN/106/RECM/2026
23rd October, 2026

TO WHOMEVER IT MAY CONCERN

I am pleased to learn that Mr. Dyuttit Sethi, S/o Mr. Vishal Sethi, served as a Student Environmental Researcher/Project Lead on an environmental research project undertaken in Nagaland from 3 to 16 June 2026.

I understand that his work focused on understanding environmental challenges at the community level, particularly in the areas of renewable energy, sustainable resource management, and environmental conservation. During the course of his engagement, he demonstrated good communication skills, initiative, and a responsible attitude in discharging his responsibilities.

The Sethi family has been making significant contributions to the well-being of the people of Nagaland for decades through its philanthropic activities. I am confident that Mr. Dyuttit Sethi will carry forward this legacy and contribute meaningfully to the State, following the footsteps of his family.

I wish him every success in his future endeavours.

23/10

(DR. NEIPHIU RIO)
